Fifth meeting of the Caribbean Development Roundtable
Promoting climate resilience and sustainable economic growth in the Caribbean

Gros Islet, Saint Lucia, 26 April 2018

PROVISIONAL AGENDA

1. Opening of the meeting.
2. A closer look at the debt swap initiative as a stimulus for unlocking the potential of the Caribbean.
3. Advancing green investment and green industry for structural economic transformation in the Caribbean.
4. Promoting fiscal responsibility and financial management for more effective control of the Caribbean debt burden.
5. Addressing the impact of de-risking and the challenges to the offshore financial sector in the Caribbean.
6. Closing of the meeting.
